

Palmerston Area Residents' Association

Serving the Palmerston/Little Italy Neighbourhood

A STRONG RESIDENTS' ASSOCIATION IS NOW MORE IMPORTANT THAN EVER.

The recent cuts to City Council and its funding are negatively impacting our neighbourhood, especially in areas such as City Planning. We need a strong voice to ensure our community's priorities are not overlooked or disregarded.

ADVOCACY

Our board and small group of volunteers cannot do this alone – we need you!

PARA engages in advocacy work on behalf of its members. During this past year we have acted on many community issues, including: developing a neighbourhood Green Plan and marching for climate action, contributing to the City's noise bylaw updates and taking positions on cycling infrastructure and waste management issues, championing affordable housing in new development projects, preparing for development planning on College Street, and participating in City Governance workshops.

As Toronto changes and grows, PARA will continue its work to drive discussions, shape planning and affect policy change for things that matter to our community and our members.
