**Annual General Meeting on Wednesday, June 2, 2021**  
**At 7 pm Video will start at :45 pm**

**SPEAKERS: Jimmy Lu and Gord Pridham**

**JIMMY LU'S** broad experience spans from sustainability areas to deep energy retrofits, public policy, and now to evaluating Ontario's electricity conservation programs. He developed the GTHA's first detailed GHG emissions inventory and even biked across Canada in 2019. A Palmerston area resident since 2015, Jimmy joined PARA in 2019 (what took him so long?). He is now Ward 11's Neighbourhood Climate Action Champion.

**GORD PRIDHAM** with his wife Pam own the Dish Café – a wonderful food emporium and cooking school – and are an active part of the neighbourhood for 16 years. With a background in finance and banking, Gord's commitment to the neighbourhood continues as leader of the College Street BIA's strategic planning process.
